Name of Grand Father bros.

Dear Sir;

I am in receipt of your letter of the 19th inquiring about my branch of the Collier family, I have answered your questions as near as I could, not having any record at hand, to refer to. I remember hearing my father speak often of his uncle Williamson Collier, who must have been your great grand father. He seemed to be very fond of him. I have also heard him speak of his uncle Charles Collier & Cuthbert Collier who he called Uncle "Cud". I am very proud of the family name and would be delighted
